## A GOOD YEAR — \$75,000+ For Community Charities!

The Piedmont Community Foundation donor impact is showing up to deliver assistance for the charitable organizations serving our community. Over \$20,000 in annual grant money is now available

from our permanent endowment funds. Other funds with annual pass-through capacity, specifically the Cherry Blossom Breast Cancer Fund, bring over \$55,000 for distribution to the community.

Most PCF funds, 86.5%, have been set up with a pre-determined restricted purpose by the donor(s) and may not be accessible through a competitive grant process. Your gifts to the Community Fund will add resource capacity to the competitive grants program.
